The advance guard of expected to end the present revolution and restore peace and prosperity. The principal qualification for such a chief is that he shall be of no one factor. Administration and can reasonably be Gen. Villa has been mobilizing at Aguasthat he shall be of no one faction, but be able to reconcile all the moder-ate elements of the country.

In view of this situation it is the

In view of this situation it is the more promised with his main army. Thirty thousand Villa soldiers have the depote arises out of the purply personal question as to who is the appropriate "Strong Man," any will more south as some at transfer of the purply of the Negativations.

Roughly the history of the Negativations.

Roughly the history of the Negativation of this form is supported to the more prominent of this forms as proportion of this forms as proportion of this forms as proportion. The remainder of Village arises so the convenient to the concentration of this forms as proportion. The remainder of the purple are the downfall of the Huerta regime to the content of t

cans living in New York—the majority of them exiles for political reasons, but some not identified with any faction ne not identified with any faction—
into communication with a number into communication with a number of Ebano, thirty miles west of Tampico. of American. English and other foreign investors in Mexico with a view to see ing if some compromise could not be reached whereby power would be taken of the hands of the politicians and the Generals and placed in those of the people, who have most to lose by present The original intention of the new

group was that some "strong man" should be chosen who was not identified ith any existing faction. This proved. however, difficult of attainment, largely because of the multiplicity of candidates. a happy "coincidence" Gen. Huerta suddenly realized that a change of air was necessary for his health and that he could find recreation in no better way than by seeing America.

New York desirable exile with him masses are story had seven millions of dollars one story had seven millions of dollars one story had seven millions of dollars one story had seven millions of dollars he is buy.

It is known, of course, that until one that he had the support of various of the groups attains an ascendency of the groups attains an ascendency strong enough to enable it to hold an election under the forms prescribed as election under the forms prescribed to enable the

ing large blocks of real estate in Manhatian and proposes to live in future on the rents are discounted. Shortly after his arrival in this country his name was brought up before the junta as a possible candidate and commanded U. S. GREENBRIER LOSS SMALL.

BY The considerable support.

In or stuff was hastly thrown into the bill at the last moment and it was passed by the Constitution of the republic the United States will give no thought to recognition.

In or stuff was hastly thrown into the bill at the last moment and it was passed as a favor to the Republican countries of New York and Brooklyn.

There we have appropriated \$450,000 for a new census, and we find they're that the litigation in any subordinate capacity."

The most obvious objection to Huerta among the members of the junta was the prejudice against him believed to be entertained by President Wilson and the Washington Administration generally. To test how far this was irremovable it was given out that the Cleanard was was given out that the General was shortly to visit Washington on pleasure bent and that he would not improbably call at the White House. The result was discouraging, although it is understood that attention that the world have been described that attention to the control of the strength has been described that attention has been described. was given out that the General was shortly to visit Washington on pleasure bent and that he would not improbably call at the White House. The result was discouraging, aithough it is understood that attempts had been made to prepare the wav before him.

The Riff Begins.

The Riff Begins.

It was then that began the rift in the councils of the Junta. While an influence of Washington may still be overcome, in view of the undoubted fact that Gen. Huerta was always popular
